Table with columns: Stock Name, High, Low, Close, Change. Includes Amalgamated Copper, American Tobacco, etc.

Table with columns: Bond Name, High, Low, Close, Change. Includes American Tobacco, etc.

WHEAT MARKET VERY ERRATIC. Speculative Manipulation in Closing Days of Week Forced Prices Down.

MUCH DISCUSSION OF DEALS

Firmer Demand From Foreign Countries Offset Slump Somewhat—Conditions in West.

CHICAGO, Ill., October 7.—The wheat market during the last week was very erratic. It opened strong, with every indication of a great deal of activity...

Prices Fell.

When one of the weather reports put a large load of the grain on the market the day of the week, it was more than the market could stand and prices fell...

Corn. Corn has been sold in all branches, although there was some improvement in the shipping demand from the East...

Oats. More activity and strength has been noticed in the oat market. Stock from the East, despite the fact that prices there have been advanced...

Provisions. There has been an improved trade in provisions, with prices generally higher. Stock from the East, despite the fact that prices there have been advanced...
